## Principals Message

It was wonderful to see all the many characters come to life last Friday for the book parade. Thanks to Miss Taylor for organising this, and also for the fabulous dancing display at the Eisteddfod the previous day. It will be a much quieter week this week! A heads up for next term, we have booked in weeks 8 & 9 for intensive swimming school at the Whitton pool. It seems crazy to be talking about jumping in a pool while the weather is so cold, but the new term will be on us before we know it. I must say thanks to the P & C for subsidising students who will be going to camp at Borambola next term also. Those who have paid their deposit now only need to send in \$90 more to be up to date. Also on next term, the Life Education Van will be swinging by. Meanwhile this term we still have the DET check in assessments to complete for primary students. In super happy news, Mrs Hetherington has announced that a little brother or sister for Luca will be arriving next February. We wish Mrs Hetherington and her family all the best.

## Fathers Day

The P&C will be holding a Fathers Day stall Friday, 2<sup>nd</sup> September. A flyer will be sent home tomorrow with more details.

Also, on Friday we will hold a 'Dads & Hot Dogs Day' where we will have a shared lunch of hot dogs at 11.15am. All Dads receive a hot dog, families most welcome.

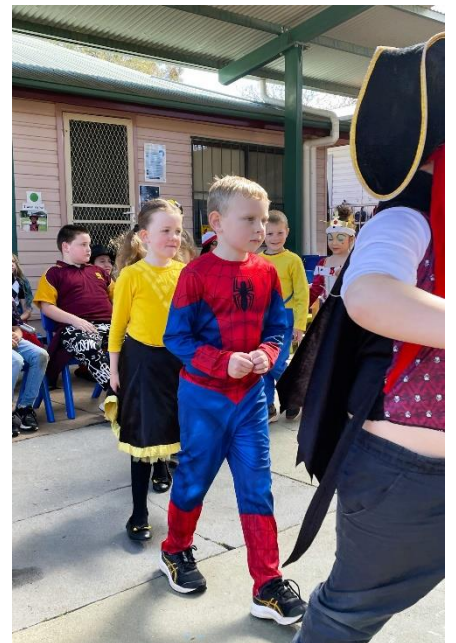

## Leeton Eisteddfod

Students in the 3-6 class have been busy performing at the Eisteddfod the past 2 weeks, first in the Verse Speaking, then in the Dance. Students had been practicing for many weeks for these performances and they did a brilliant job in both of them! They won their section in the Verse Speaking with 88 points from the two poems 'If you Go Softly' and 'Dear Mother'. They did a fantastic job in the dance to the song 'Treasure' that Miss Lindsay taught them over the past 10 weeks. We are so appreciative that Miss Lindsay was able to give up her time to come and teach the students that amazing dance. Students in the 3-6 class should be extremely proud of their efforts from the Leeton Eisteddfod!

## Character Counts

Congratulations to Elliot, Braxton and Piper for receiving their Character Counts awards this morning, fantastic effort kids!

## Check-in assessment for Year 5 and 6.

During terms 3 and 4, students will participate in the Check-in assessment.

The Check-in assessment is an NSW Department of Education online literacy and numeracy assessment available to support schools to assess and monitor student learning.

The assessment can supplement existing school practices to identify how students are performing in literacy and numeracy and to help teachers tailor their teaching more specifically to student needs. Students with a disability may receive the same level of support during the assessment they would normally receive in the classroom.

- The assessment will be scheduled for our Year 6 students during Weeks 8-10 of term 3. Years 3-5 will be scheduled for weeks 1-4 of term 4.
- All students complete a reading assessment and a numeracy assessment. Year 6 students will also complete a writing task.
